

Shooting-Range

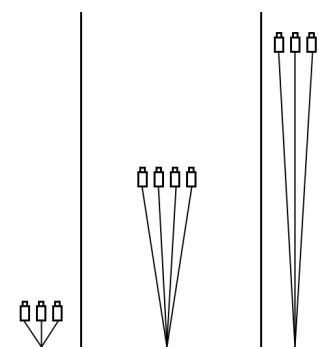

Free Fire [FF]

In this mode you can shoot how you want, Keep in mind to keep your line and wait for your target to get back up. This is not a rule only respect based how would you feel if the person next to you would steal your target ?

Accuracy Test [AT]

You choose a difficulty Near, Medium or far. You have 2 bullets at Near, 4 for medium and 6 for far. Your teammates and the supervisor will determine if you did good.

Grenade Throw Test [GTT]

Basically just a grenade throw test, the user has to throw his grenade at middle range as it seems to be the max range of grenade throw.
