

LARGE MARCHING FORMATION [LMF]

When you are doing a long travel by walking you need to be in a formation to cover all the sides, this are the formations:

WEDGE

Everybody must leave a space of 50 studs or feeds or meters but a long distance and always try to get this Wedge perfect.

BOX

Leave 20 studs, feeds or meters and do like a box, anyways it can be able to transport things or an important person that then you put it in the middle.

SFL

SFL is Single File Line, just do a line behind the leader and leave 30-50 studs meters feet...

TT [TWO TEAMS]

This formation called "Two Teams" is used when you are going to raid a building. It consists of 2 teams, one goes to the left and the other to the right. Every team must go at 5-15 studs meters or feed...
